

## To Whom It May Concern:

It's my absolute pleasure to recommend Steve Worgan with Worksite Resources.

Steve and I have known each other for 8 years; most of that at Albemarle Regional Health Services. I thoroughly enjoyed my time working with Steve and came to know him as a truly valuable asset to absolutely any team. He is honest, dependable, and incredibly hard-working.

His knowledge of insurance and expertise in employee benefits was a huge advantage to our entire organization. He put this skillset to work in order to put together an affordable and comprehensive benefit package for our employees.

Steve and Worksite Resources is extremely thorough in providing detailed information and educating employees about the benefits available and what is best for the employee. They have always made sure that all concerns and questions are addressed promptly and effectively.

Without a doubt, I confidently recommend Steve Worgan and Worksite Resources. As with Albemarle Regional Health Services, I know that your organization would benefit from working with them.

Best wishes,  
Jerry Parks
