Re: Letter of Recommendation for Worksite Resources

To Whom It May Concern:

I would recommend Worksite Resources to any company that desires a detail oriented, knowledgeable firm that keeps its clients' best interest at the forefront of their process.

Worksite Resources has worked with BCE-Charlotte for a number of years to find the best fit for our employees and management. Bringing to the table a wealth of knowledge and alternatives to meet a very diverse set of needs. Steve Worgan has always taken all of the time required to find the best plan of benefits for our company.

The most impressive and appreciated component of Worksite Resources is their willingness to work with both management and employees individually with any issue that arises. Their attention to detail and follow up is unmatched in our experience.

I would recommend Steve Worgan and Worksite Resources without any reservations!

Please do not hesitate to contact me with any questions regarding Steve Worgan or Worksite Resources. Your group would benefit tremendously by working with them.

Sincerely,

Bob Selby
President
