

# Save money with FSA pretax benefit accounts.

A Flexible Spending Account (FSA) puts more money in your pocket by reducing your taxable income when you contribute pretax dollars to pay for common expenses like these:

## HEALTHCARE

- Medical/dental office visit co-pays
- Dental/orthodontic care services
- Prescriptions, vaccinations, and OTC
- Eye exams; prescription glasses/lenses

## DEPENDENT CARE

- Daycare expenses
- Before & after school care
- Nanny/nursery school
- Elder care

### TIPS

- Determine your elections based on your estimated out-of-pocket expenses for the year
- Your employer may offer other types of Benefit Accounts too; ask for details
- For a complete list of eligible expenses, see IRS Publications 502 & 503 at [irs.gov](http://irs.gov)

## Increase your take-home pay by reducing your taxable income.

Each \$1 you contribute to your FSA reduces your taxable income by \$1. With less tax taken, your take-home pay increases!

Consider this example (for illustration only)

Richard has:

- Gross monthly pay of \$3,500
- \$600 per month in eligible expenses

Here is his net monthly take-home pay:

### Without FSA

(\$600 spent using post-tax dollars)

**\$1,932**

### With FSA

(\$600 spent using pretax dollars)

**\$2,098**

That's a net increase in take-home pay of **\$166 every month!**

# How to participate.

It's easy to start saving with an FSA. Just follow 3 simple steps:

## 1. DECIDE how much you want to contribute.

Check with your employer for plan specifics and review at the IRS limits at [www.tasconline.com/benefits-limits](http://www.tasconline.com/benefits-limits).

The more you contribute, the lower your taxable income will be.

However, it's important to be conservative when choosing your annual contribution based on your anticipated qualified expenses since:

- The money you contribute to your benefit account can only be used for eligible FSA expenses.
- Any unused FSA funds at the close of the plan year are not refundable to you. (A grace period or carryover may be in place for your plan. Check with your employer for plan guidelines and allowances.)

## 2. ENROLL by completing the enrollment process.

Your contribution will be deducted in equal amounts from each paycheck, pretax, throughout the plan year.

Your total annual contribution to a **Healthcare FSA** will be available to you immediately at the start of the plan year. Alternatively, your **Dependent Care FSA** funds are only available as payroll contributions are made.

## 3. ACCESS your funds easily using the TASC Card.

This convenient card automatically approves and deducts most eligible purchases from your benefit account with no paperwork required. Plus, for purchases made without the card, you can request reimbursement online, by mobile app, or using a paper form.

Reimbursements happen fast—within 12 hours—when you request to have them added to the MyCash balance on your TASC Card. You can use the MyCash balance on your card to get cash at ATMs or to buy anything you want anywhere Mastercard is accepted!

This Mastercard is administered by TASC, a registered agent of Pathward. Use of this card is authorized as set forth in your Cardholder Agreement. The card is issued by Pathward, N.A. Member FDIC, pursuant to licenses by Mastercard International Incorporated. Mastercard and the circles design are registered trademarks of Mastercard International Incorporated. ### PLANNING TIPS

**START** by making a conservative estimate of how much you expect to spend on eligible out-of-pocket expenses for the year.

**COMPARE** your estimate to the IRS limits. If your estimate is higher than these annual contribution limits, consider making the maximum contribution allowed.

### SPECIAL FEATURES
